VINYL BACKED & LATEX BACKED DOORMATS

These Vinyl Backed (PVC) & Latex Backed Coir tufted door mats and brush matting rolls are made by tufting natural coir fiber into PVC backing. These mats are cut from rolls on sophisticated computerised cutting machines ensuring immaculate clean-cut sides, resistant to fraying & unravelling. Vinyl backing or latex backing increases durability, makes the mats anti-skid and ensures that dust and dirt remain trapped in the mat making it easy to clean. These mats are printed using azo free, light-fast, water based pigments

100% RUBBER DOORMAT

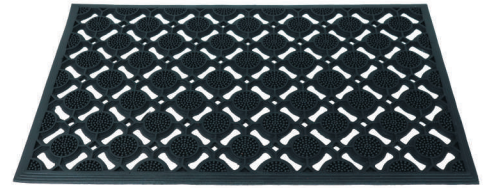

100% Rubber Iron mats sturdy, easy to wash and long lasting mats. Elegant, extra-thick, non-slip rubber mats trap dirt and debris before it's tracked into your house. The raised "Open" scroll work design that lets water, snow and dirt drop down through, that the outside steps and the landings are safer and keep the entry-ways clean. Its Sculptured design gives it a wrought iron look. These mats are un-affected by weather extremes, resist moulds, mildew and lasts for years. Best wash care is to sweep or hose the dirt off.
